# HISTORY

#### ESTABLISHED IN - 2007

The Regional Drugs Testing Laboratory - Chandigarh (RDTL) is a National statutory laboratory in the North Zone of India. It is working under the administrative control of Drugs Controller General (I), CDSCO, Directorate General of Health Services (DGHS) in the Ministry of Health & Family Welfare, Government of India, FDA Bhavan, ITO, Kotla Road, New Delhi -110002.

This laboratory is established to analysis or tests the drugs & Cosmetics products under the control of a Director, appointed by the Central Government.

For the establishment of this laboratory, a piece of land measuring 3354.328 Sq. Yds. was acquired by Estate Office, U.T., Chandigarh in 1995 at sector 39C which is about 7.00 Kms from ISBT sector 17, 4.5 Kms from sector 43 Bus stand, 14 Kms from Chandigarh Rly. Station and 20.0 Kms from Mohali Airport. After that the land was handed over to the Director General of Health Services, Ministry of Health & Family Welfare, Govt. of India, Nirman Bhawan, New Delhi – 110011 in 1996.

The Drawing of the building was prepared by Akaa Associates and was submitted to U.T. Administration in 2002 for its approval. The building was constructed by CPWD, (Central Public Works Department), Chandigarh and was taken over in the year of 2007. This laboratory started its journey to fulfil its statutory duties from November-2007, and after that it contentiously being flourished itself. The microbiological department was established and came into effect from 2017. It was accredited by NABL in chemistry discipline in the year of 2016 and in microbiology discipline in the year of 2018. It is continuously discharging its duties to be a part of broad goal of CDSCO as well as Ministry of Health and Family Welfare to enhance public health by ensuring the availability of quality drugs, cosmetics and medical devices to the common people.

This laboratory receives the samples of drugs, cosmetics and medical devices in the form of Legal (Form-18), Survey and special drive from Central Officers/Drugs Inspectors of CDSCO, North Zone – Ghaziabad, Sub Zone- Baddi, Jammu, Varanasi and Assistant Drugs Controller (India) and Indira Gandhi International Airport, New Delhi. After that, the samples are being tested as per the statutory requirement of Drugs and Cosmetics Act 1940 and Rule there under and the reports are being despatched to the concerned senders of the samples.

\*

# Review of Director (HOD) Dr. Ram Avtar Singh, Director

From the very beginning of its birth, this institute always thrives to discharge its duties to be a part of broad goal of CDSCO as well as Ministry of Health and Family Welfare to enhance public health, which can be ensured by making the availability of quality drugs, cosmetics and medical devices to the common people. It involves to analysis or test the samples and to submit the reports accordingly in efficient manner from its statutory periphery.

An enormous number of drugs and cosmetics are available to the common people and a number of methods and techniques are required to test the quality of these huge kinds of samples. The journey is not so smooth, but it has always accepted and overcome its challenges. This unremitting and ironic determination gifted it to be flourished, bloomed and strengthens its foundation from its root.

This institute has instilled the culture to employ the full potential and support of its employees. The employees are encouraged to work in harmonious manner for their excellent contribution with their professional approach and experiences.

#### Our goals for further growth and value creation:

- Delivering quality technical services by optimum utilization of its resources in a sustainable manner.
- Ensuring continuous and contemporary learning.
- Compliance norms in practice.

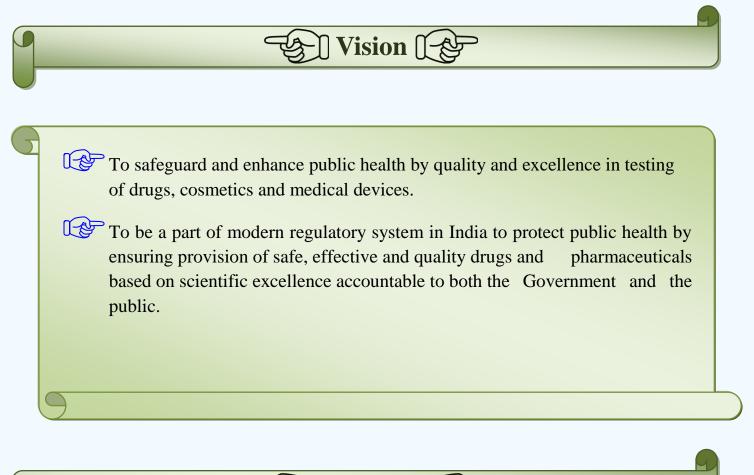

- Continual improvement in maintaining and managing environmental aspects and
- Enhancing occupational health and safety policy and management of hazards effectively.

This institute also prioritized the safety and security of its human resources, facilities and environment from the potential threats and harmful influences.

There are a number of people who are continuously thriving to flourish this institute from its germination. I would like to thank all of them for being a part of this institute and for their continuous, cordial and unconditional support over the time being.

- ~ Dr. Ram Avtar Singh,
- ~ Director, RDTL- Chandigarh.

To provide quality and effective analytical services in the area of drugs, pharmaceuticals and cosmetics testing which can be achieved through employment of advanced testing facility with the sophisticated instruments and dedicated, committed work force by adhering to core values of transparency, accountability, efficiency, commitment, credibility and innovation.

To be a smart drug testing laboratory equipped with latest sophisticated equipments and having clean and green eco-friendly environment.

To implement effective quality system in the laboratory.

To ensure dependable and accurate testing facility.

To provide test results at the earliest and to the best satisfaction.

To update technical knowledge / skill of scientific / technical staff by inhouse and outside training.

Regular participation in Proficiency Testing and Inter laboratory Comparison Programs.

To provide proper & safe working environment to adopt Good Laboratory Practices.

### **Statutory Functions and Duties of the Institute**

Analysis of Drugs and Pharmaceuticals, Cosmetics and Medical Devices in terms of schedule to the Drugs and Cosmetics Act, 1940 and rules there under so as to specify the standards of identity, purity and strength for the drugs imported, manufactured for sale, stocked or exhibited for sale or distribution in India.

Analysis of Import drugs and Cosmetics samples entering through the port offices.

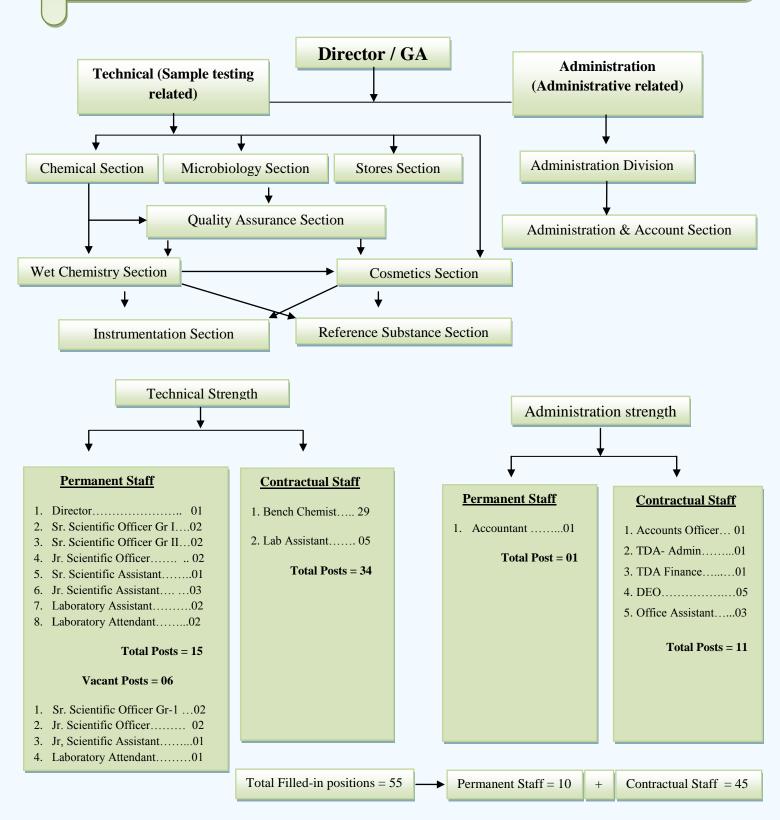

Analysis of Drugs & Pharmaceutical formulations received as Survey Samples from Central Drugs Standard Control Organization and its Zonal Offices and State of Haryana, Delhi, Jammu & Kashmir and Himachal Pradesh.

Analysis of Drugs and Pharmaceutical formulations received as National Survey Samples from CDSCO under Ministry of Health and Family Welfare and various state drugs control authorities.

# Powers and Duties of Officers

### **Director** :

- Director, RDTL is exercising the powers as HOD delegated under the relevant provisions of DFP Rules, 1978 and GFRs, 2005 vide letter No. F. No. D. 21013/7/2010-DC, dated 24th May, 2010.
- Responsible for overall organizational functions pertaining to the system maintenance and technical operations by implementation of policies, processes and system related to performance, checking, evaluation and release of reports.
- Regular evaluation regarding improvement in the effectiveness of managerial and technical parameters.
- Continuous review of Quality objectives.
- Preparation and monitoring of budget, annual plan for the organization.
- Solution Functioning as a Chairperson in management review meetings.
- Separate Responsible for approving Quality Manual and Quality System Procedures.
- To maintain integrity of the system by proper planning.
- Solution To approve the purchase of store and library items.
- Act as Notified Govt. Analyst.

#### F. NO. D.21013/ 7 /2010-DC DIRECTORATE GENERAL OF HEALTH SERVICES CENTRAL DRUGS STANDARD CONTROL ORGANISATION (DRUGS CONTROL SECTION)

FDA Bhawan, New Delhi Dated: 24<sup>th</sup> May 2010

То

The Pay Accounts Officer, M/o H& FW, DGHS, Nirman Bhawan, New Delhi

Subject: - Delegation of Financial Powers to the Director, RDTL, Chandigarh.

Sir,

I am directed to convey the approval of the Competent Authority under the relevant provisions of DFP Rules, 1978 and GFRs, 2005 to the delegation of all the powers of Head of the Department to the Director, RDTL, Chandigarh except the following :-

(i) Creation of post.

(ii) Write off of losses, and

(iii) Appropriation and Re-appropriation of funds.

3. These delegated powers are to be exercised in the light of and in accordance with the provisions of the rules and instructions contained in the DFPRs and GFRs, as amended from time to time, by observing procedural checks and other instructions issued by the Government of India from time to time like general economy instructions, ban on filling up vacancies, new constructions etc.

4. The approval of the Competent Authority **is also hereby accorded** to the declaration of Director, RDTL, Chandigarh as DDO in respect of the Lab.

5. This issues with the concurrence of IFD of the M/o Health and F W vide Dy. No.548/A&FA/2010 dated 4.5.2010.

Yours faithfully,

(Dr. Surinder Singh) Drugs Controller General (India)

# Powers and Duties of Officers

### Senior Scientific Officer :

- Supervision of test and analysis of drugs, cosmetics and medical devices.
- Shall device the SOPs for each and every activity.
- Shall calibrate all the lab equipments and instruments.
- Shall declare the status of equipments/instruments.
- Shall validate/revalidate the standardization of chemicals or reagents.
- Shall store the raw data/ worked out data.
- Shall be responsible of archival and retrieval of the test and analysis data of the drugs.
- Any other duties assigned by Director/ head of the Laboratory from time to time.

# Powers and Duties of Other Employees

### Senior Scientific Assistant :

- Analysis and Supervision of test and analysis of drugs, cosmetics and medical devices.
- Standardization of reference/working standard.
- Participating in the proficiency test programme of the laboratory.
- Conduct the Standardization, validation and calibration of the test methods, procedures and instruments.
- Solution Assist in preparation of Department SOPs and supervision of Logbook.
- To assist Senior Scientific officer in analysis of drugs, cosmetics and medical devices.
- Any other duties assigned by Director/ head of the Laboratory from time to time.

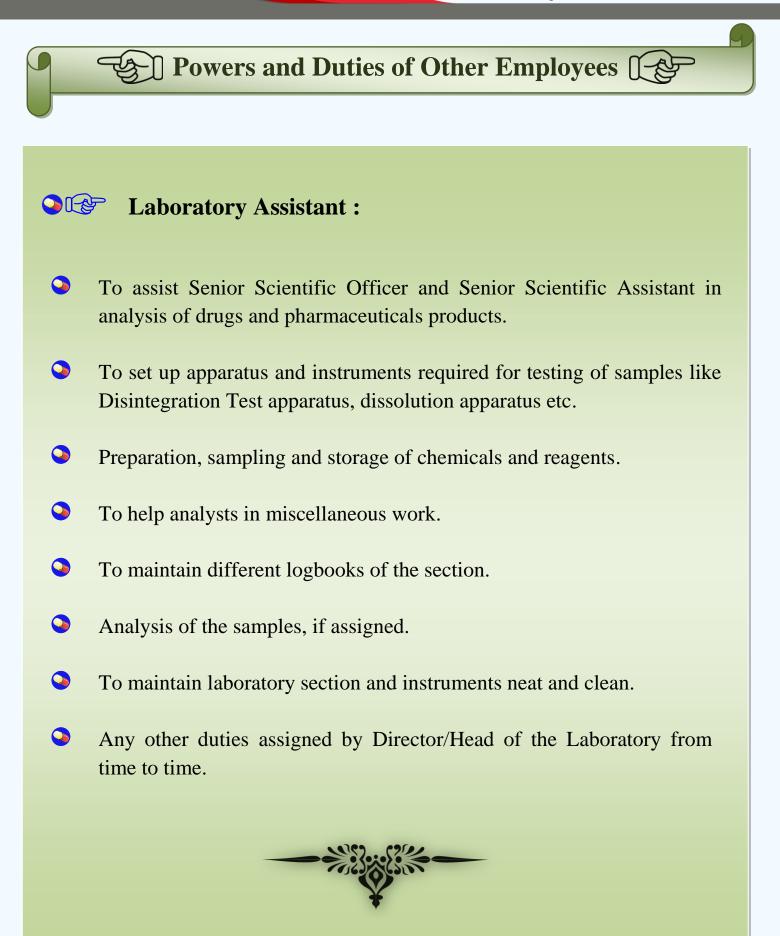

# Powers and Duties of Other Employees

### **Second Scientific Assistant :**

- Analysis and testing of different Pharmacopoeial and Non-Pharmacopoeial formulations of samples.
- Operating different sophisticated instruments.
- Preparation, maintenance and standardization of reference standard/working standard.
- Carry out calibration, standardization and validation test of the instruments.
- Assist in preparation of departmental SOPs and maintenance of calibration logbooks.
- To assist Senior Scientific Officer and Senior Scientific Assistant in analysis of drugs and pharmaceuticals products.
- Any other duties assigned by Director/Head of the Laboratory from time to time.

# Powers and Duties of Other Employees

### **Laboratory Attendant :**

- Solution Washing and maintenance of glassware.
- Maintenance of cleaning and sanitation of laboratory.
- To help analysts in miscellaneous work.
- Preparation, sampling and storage of chemicals and reagents.
- To maintain laboratory section and instruments neat and clean.
- Any other duties assigned by Director/Head of the laboratory from time to time.

#### Rules / orders under which powers and duty are derived:

Director, RDTL is exercising the powers as HOD delegated under the relevant provisions of DFP Rules, 1978 and GFRs, 2005 vide letter No. F. NO. D.21013/7/2010-DC, dated 24<sup>th</sup> May, 2010.

As per Central Civil Services Rules and Drugs & Cosmetic Act 1940 and rules there under. Also as per ISO/IEC 17025:2005 in chemical & Biological Testing requirement for Laboratories and any other rule which are applicable for Central Govt. Institution.

#### **Final decision Making Authority:**

Ŝ

**K**b

Żų

40

For Sample Testing – Government Analysts.

For Administration & Financial Issues – Director.

#### **Related provisions, acts, rules etc.:**

GFR, Central Civil Services Rules, Drugs & Cosmetics Act, 1940 and Rules there under and any other rules which are applicable for Central Govt. Institution.

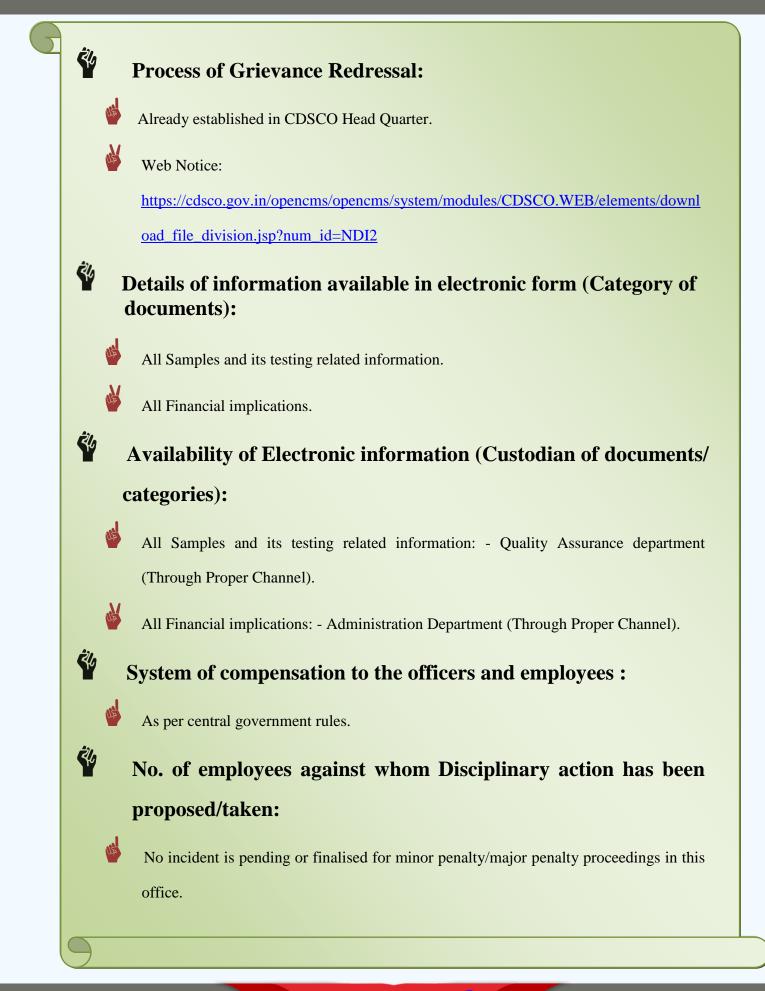

#### Norms/ standards for functions/ service delivery:

As per Drugs & Cosmetics Act, 1940 and Rules there under and ISO/IEC 17025:2005 and any other rules which are applicable for Central Govt. Institution.

#### **Time-limit for achieving the targets:**

As per the provision of Drugs & Cosmetics Act, 1940 and Rules there under and any other rules which are applicable are for Central Govt. Institution.

#### Dr. Ram Avtar Singh, Director

EMAIL: rdtlchd@cdsco.nic.in

Directory of Officers and Employees with Work Allocation

#### Dr. Debasis Maiti

Senior Scientific Officer (Grade-II)

EMAIL: rdtlchd@cdsco.nic.in

TEL: 0172-2688239

Education:

M. Sc., MBA, PhD.

- Total responsibility of microbiology department; planning, supervision and guidance to the technical staff, preparation of technical specifications of instruments to be procured, calibration and maintenance of instruments with clean room environments, documentation, guiding in SOP preparation and review it, Environment monitoring, etc.
- Responsibility for guiding the technical staff.
- Administrative activities in absence of Director.
- Guide SSA & JSA'S in their technical work.
- Guiding in operation of Atomic Absorption Spectroscopy.
- Responsibilities of Central Public Information Officer.
- Responsibilities of DDO.
- Responsibilities of store officer.

- Responsibilities of a Chairman of purchase committee in RDTL for purchasing of stationary, chemicals, glassware, instruments and other items required for various instruments installed in RDTL, Chandigarh.
- Reviewing the AMC/CMC work of instruments installed at RDTL.
- Given training to the newly joined staff and to the old staff for initiating and Standardizing new method or technique of analysis.
- Performing the functionalities of Programme Division module for on line payment through Public Financial Management System (PFMS).
- Performing the functions, as assigned by the Director from time to time.

### Directory of Officers and Employees with Work Allocation []

#### Sh. Hitesh Kumar Khare

Senior Scientific Officer (Grade-II)

EMAIL: rdtlchd@cdsco.nic.in

TEL: 0172-2688239

Education:

M. Sc (Biochemistry), AIC (Chemistry).

- Managing testing of Samples for chemistry and instrumentation section.
- Operation and maintenance of GLC.
- Sunctionalities of buyer for Procurement through GEM.
- Responsibilities as a member of Purchase Committee.
- Any other duties assigned by Director/ head of the Laboratory from time to time.

#### Sh. Ashok Kumar Sharma

Senior Scientific Assistant

EMAIL: rdtlchd@cdsco.nic.in

TEL: 0172-2688239

Education:

B. Sc, AIC (Chemistry).

Duties & Responsibilities:

- Analysis of water and drugs samples.
- Operation of TOC.
- Supervision of Bench Chemist for HPTLC.
- Review of Raw Data & Test reports.
- Responsibilities as a member of Purchase Committee.
- Any other duties assigned by Director/Head of the Laboratory from time to time.

#### Ms. Harpreet Kaur Saini

Accountant (On Deputation)

EMAIL: rdtlchd@cdsco.nic.in

TEL: 0172-2688239

Education:

B.Com (H), M.Com, MBA (Executive).

- Solution Total responsibility of Accounts and Administration Department.
- Responsibilities as a member of Purchase Committee.
- Responsibility of maintaining the Service records of all the employees of RDTL.
- Performing the functions on Public Financial Management System (PFMS); an online portal for making payment.
- Preparation of Salary, DA, Bonus and other bills (Contingency Bills, T.A. Bills, Medical Bills) both manually and online on PFMS portal.
- Responsibility of taking timely action on various reports prepared on monthly and quarterly basis as sent by Headquarter Office and Ministry.
- Responsibility of taking timely action on time bound matters- i.e. Rajya Sabha Questions, Lok Sabha Questions, Monthly Court Cases reports etc.

#### Sh. Chinnarao Pinisetti

Junior Scientific Assistant

EMAIL: <u>rdtlchd@cdsco.nic.in</u> TEL: 0172-2688239 Education: M. Pharm.

- Analysis of Drugs and Pharmaceutical Products.
- Operation of different sophisticated instruments in Microbiology Laboratory.
- Solution Internal Calibration of instruments and Glassware.
- Media quality checks and documentation.
- Microbiological monitoring of classified areas.
- Cultures revival and CFUs preparation.
- Periodic microbiological analysis of water sample for internal quality check.
- Solution Assist in preparation of departmental SOPs and other Laboratory related works to the higher authority.
- Any other duties assigned by Director/Head of the Laboratory from time to time.

#### Dr. Amit Kumar

Junior Scientific Assistant

EMAIL: rdtlchd@cdsco.nic.in

### **Remnant Sample Section:**

05

沿

Receive residual samples after testing the drug/ pharmaceutical/ cosmetic in the laboratory.

Storing of residual samples systematically in proper order as per sample registration number.

Storing the test reports systematically in proper order as per sample no.

~ Control Sample Section.....

# **Reference / Working Standard Section:**

Storing primary and secondary standards in proper condition and issuing according to the requirements.

Preparation of internal working standards.

Re - standardization of the working standards.

~ Reference Standard Section......

# **Chemistry Laboratory:**

Contains the facilities for preparation of samples for all types of experiments.

Facilities for Titrimetric Quantifications.

Facilities for Chemical Identifications.

~ Chemistry Laboratory.....

# Different Divisions/Sections of Organization

### **Microbiology Laboratory:**

Controlled through HVAC system.

Separate Clean room facility for sterility test, microbial limit test and microbiological assay.

Compartmentalized media preparation, decontamination and washing facilities.

Separate facility for Liquid particle counting and Bacterial Endotoxin Test.

~ Microbiology Laboratory.....

### Different Divisions/Sections of Organization

## **Cosmetics laboratory / Medical laboratory:**

This section is well equipped with a number of instruments used in cosmetic testing as per BIS specifications. The following instruments/apparatuses are available in this section;

- Pay off Measuring Instrument.
- Drying Time Measuring Instrument.
- Automatic Scratch Tester.
- Breaking Load Test Apparatus.
- Adhesion Test Apparatus.
- Soam Height Measuring Apparatus.

~ Cosmetics Testing Laboratory.....

## ] Different Divisions/Sections of Organization

## **Quality Assurance Section:**

U\$

沿

Maintains records of Quality Management system.

Organizes inter laboratory comparisons and issue of documents for effective implementation of ISO/IEC17025:2005, Integrated Management System and Good Laboratory Practice.

Issue Test methods or specification in case of patent and proprietary samples.

~ Quality Assurance Section......

### **Instrumentation Section:**

Separate rooms for HPLC, Polarimeter, AAS, GC, HPTLC, KF titrator, water purification system and fume hood.

Chemical storage unit is placed in fume hood area where flammable, corrosive, harmful and toxic chemicals are stored after segregation.

~ Instrumentation Section.....

# Different Divisions/Sections of Organization

### **Administrative /Accounts Section:**

Deals for pay and allowances of the staff, payments of the vendors and other service provider.

Y

Preparation of budget estimate and expenditure for the financial year, correspondence with Headquarters office for various sanctions/approvals.

Looks after the recruitment rules, maintenance of Service Books, leave records and personal files, pay fixation, increments and APARs (Annual Performance Appraisal Reports) of the employees.

Purchase of chemicals, stationery, glassware and other items raised by the store section.

Admin/Accounts Section.....

# Different Divisions/Sections of Organization

# **Store Section:**

Maintains stock of stationary items and chemicals, glassware and other items relating to office work and laboratory respectively.

US A

Generate requisition for the purchase of appropriate items useful to the laboratory.

Separate storage for flammable and inflammable chemicals to prevent hazards.

Store Section.....

# **Library & Information Section:**

Equipped with reference books.

Latest journals, monthly bulletins and new arrivals (books) in the Pharma Industry are purchased to keep the staff updated with the chronicles of the Pharma Sector.

~ Library & Information Section.....

#### **Renovation and up gradation of Laboratory (2010 - 2016).**

- **Development of Microbiology Laboratory.**
- **Output** Participation in Testing of National Drug Survey Samples:

With the additional staff and sophisticated equipments, the laboratory is able to discharge its responsibilities of testing of samples in a more effective and efficient manner in the shortest period. The laboratory participated in the testing of Drug Samples received (about 6000) through NIB and National Drug Survey to identify Spurious and Not of Standard Quality drugs moving in Indian Market.

#### **Participation in Swachhta Pakhwada mission:**

Swachhata Pakhwada - 2019 was organised at Regional Drugs Testing Laboratory, Chandigarh from 1<sup>st</sup> to 15<sup>th</sup> April, 2019.

The works are done in this mission are as follows;

- Cleaning of gutters outside building.
- Cleaning of gutters inside building.
- Cleaning of gutters of all glass windows of the building.
- Cleaning of urinals in the toilets and toilet seats of the all building.
- Removal of unwanted materials lying in the rooms, corridors and under stair cases.
- Cleaning of wall spots & scatting on the outer walls of the building.
- Removal and cleaning of any unwanted materials/discarded material lying on the roof top and balconies.
- Removal and cleaning of any material lying outside the covered area of the building.
- Cleaning of all dustbins and make them dry.

**POSTER FIXING IN RDTL, CHANDIGARH.** 

Activities in Swachhta Pakhwada Celebration.....

#### **Participation in Yoga Day celebration:**

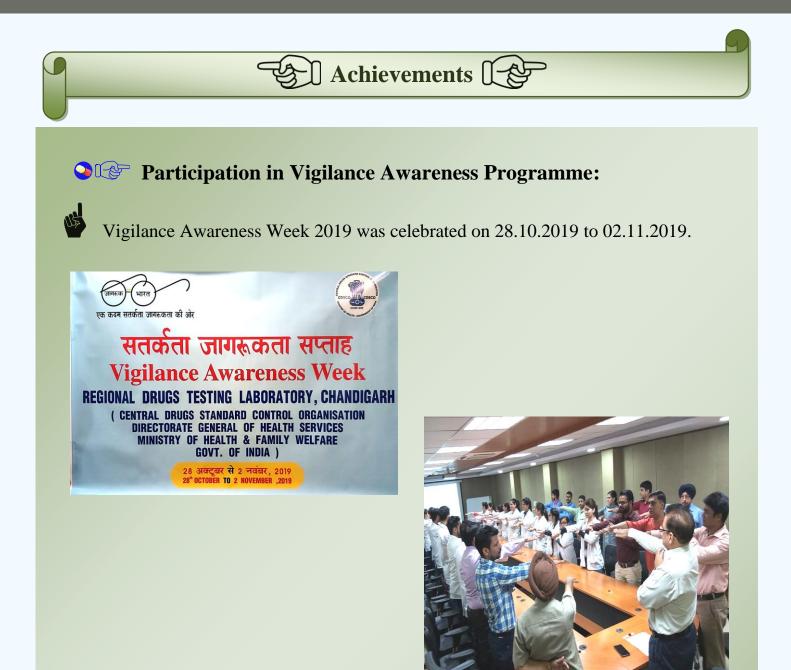

International Yoga Day was first celebrated in the year of 2018 and after that it is being celebrated in every year. Sh. R. K. Chugh, yoga Expert visited RDTL Chandigarh and delivered lecture on benefits of yoga to health and briefed on Pranayams, Mudras and Physical Exercises relating to different body organs both in the year of 2018 and 2019. The physical exercises were also performed by the staff in the open space of ground floor under the guidance of Sh. R.K chugh.

Activities on Yoga Day celebration

- Activities in Vigilance Awareness Programme .....
