Central Drugs Standard Control Organisation
Directorate General of Health Services
Office of DCG (I)

FDA Bhawan, New Delhi

Dated: 20.07-2018

PUBLIC NOTICE

Subject: Promotion of innovation & start up business in India in Pharmaceutical sector – Regarding

A robust regulatory system streamlining the regulatory approval process is important to ensure safety, efficacy and quality of medicinal products as well as to support, facilitate, guide and encourage entrepreneurs, researchers and innovators in the field of pharmaceutical research.

Keeping above in view, this office has recently established Public Relations Office (PRO) as a single window for stakeholders with an objective to provide guidance to innovators/start-ups regarding regulatory requirements for commercialisation of their products.

In order to make the system more convenient, it has been decided to provide a direct **video-conferencing (VC) facility** at DCG(I) office to entrepreneurs, researchers and innovators in line with the mission of *Ease of Doing Business* and *Make in India* initiative of Govt. of India.

The timing of VC facility will be from 10.00am to 5.30pm on all working days with prior appointment of Office of DCG(I). The applicant can avail the facility by making request for appointment with details of proposal in the prescribed format as per **Annexure -I** to Public Relations Office email id: startupinnov@cdsco.nic.in.

(Dr. S. Eswara Reddy)
Drugs Controller General (I)
