#### 1 Agreement Overview

This is a Service Level Agreement ("SLA" or "Agreement") between the Buyer and Manpower HiringAgency/Service Provider. The purpose of this Agreement is to facilitate implementation of Manpower Hiring Service at the Buyer's premises, or any other premises approved by the Buyer. This Agreement outlines the scope of work, Buyer's obligations, special terms and conditions related to service delivery and payment of services. The Agreement remains valid till completion of scope of services or end of contractual duration (whichever is earlier) unless mutually extended by both the parties.

The Services contracts placed through GeM shall be governed by following set of Terms and Conditions:

I. General terms and conditions for Services;( "GTC")

II. Service Specific Standard Terms and Conditions ("STC") of the Services contracts shall include the service level agreement (SLA) for the service.

III. BID/ Reverse Auction specific Additional Terms & Conditions (ATC) as specified by the buyer.

The above terms and conditions are in reverse order of precedence i.e. ATC shall supersede Service specific STC which shall supersede GTC, whenever there are any conflicting provisions. The above set of terms and conditions along with the scope of work and SLA as enumerated in this document shall be construed to be part of the Contract/Agreement between the Buyer and Service Provider.

#### 2 Objectives and Goals

The objective of this Agreement is to ensure that all the commitments and obligations are in place to ensure consistent delivery of services to Buyer by Service Provider. The goals of this agreement are to:

I. Provide clear reference to service ownership, accountability, roles and responsibilities of both parties

II. Present a clear, concise, and measurable description of services offered to the Buyer

III. Establish terms and conditions for all the involved stakeholders, it also includes the actions to be taken in case of failure to comply with conditions specified

IV. To ensure that both the parties understand the consequences in case of termination of services due to any of the stated reasons

ThisAgreement will act as a reference document that both the parties have understood the above-mentioned terms and conditions and have agreed to comply by the same.

#### 3 Parties to the Agreement

The main stakeholders associated with this agreement are below-

- 1. Buyer: Buyer is responsible to provide clear instructions, approvals and timely payments for the services availed
- 2. ServiceProvider: Service provider is responsible to provide all the required services in timely manner. Service provider may also include seller, any authorized agents, permitted assignees, successors and nominees as described in the agreement

The responsibilities and obligations of the stakeholders have been outlined in this document. The document also encompasses service level/ deductions in case of nonadherence to the defined terms and conditions.

- xxv. No deployed manpower shall be allowed to stay in the Buyer's premise/ designated premise unnecessarily after working hours without Buyer's permission.
- xxvi. Any damages/ losses caused by deployed manpower shall be borne by the Service Provider. The Buyer Department shall not be responsible for any financial loss or any injury to any person deployed by the Service Provider during their performing the functions/duties, or for payment towards any compensation.
- xxvii. The Service Provider shall be solely responsible for the redressal of grievances/ resolution of disputes relating to persons deployed. The Buyer shall, in no way be responsible for settlement of such issues whatsoever.
- xxviii. The Service Provider shall be responsible for timely payment of take-home remuneration to the manpower and deposit of EPF and ESI (both employee and employer share), failing which deductions shall be made by buyer.
- xxix. The Service Provider shall maintain all statutory registers under the Law and shall produce the same, on demand, to the Buyer Department or any other authority under Law.
- xxx. The Service Provider shall ensure regular payment to the deployed manpower to their entitlements like monthly salaries/ wages etc. and submit the documentary proof of the salary paid as per the terms and conditions of the contract. Bill for the subsequent month will be paid only after submission of certificate of disbursement of wages of previous month.
- xxxi. The wages of every person deployedupon or in any establishment upon or in which less than one thousand persons are employed, shall be paid before expiry of the seventh day after the last day wage-period in respect of which the wages are payable. In any other establishment, wages of every person employed shall be paid before expiry of tenth day after last day wage-period. Payment of salary/ wages to the employees shall be made in their bank accounts only, no cash or kind payment shall be made.
- xxxii. The Service Provider shall furnish statement of amount paid for the month to the manpower deployed along with Transaction Details and Bank account from which the payment has been made. Service Provider shall furnish copy of bank statement in support of amount paid as and when required by Buyer.
- xxxiii. The Service Provider shall also deposit EPF and ESI of both employer and employee share within 15th day of the month of payment of wages.
- xxxiv. The Service Provider shall submit before the Buyer Department, one copy of the return within 7 days from the date of filing of monthly/ quarterly/ half yearly/ annual return if any before the EPF and ESI authorities.
- xxxv. All applicable taxes and duties other than mentioned in the contract document, shall be payable by the Service Provider and the Buyer shall not entertain any claims whatsoever with respect to the same.
- xxxvi. The Service Provider, at all times, will ensure that the services being provided under this Contract/Agreement are performed strictly in accordance with all applicable laws, order, byelaws, regulations, notifications, guidelines, rules, standards, recommended practices etc. and no liability in this regard will be attached to the Buyer.

#### 4.3 Special Terms & Conditions:

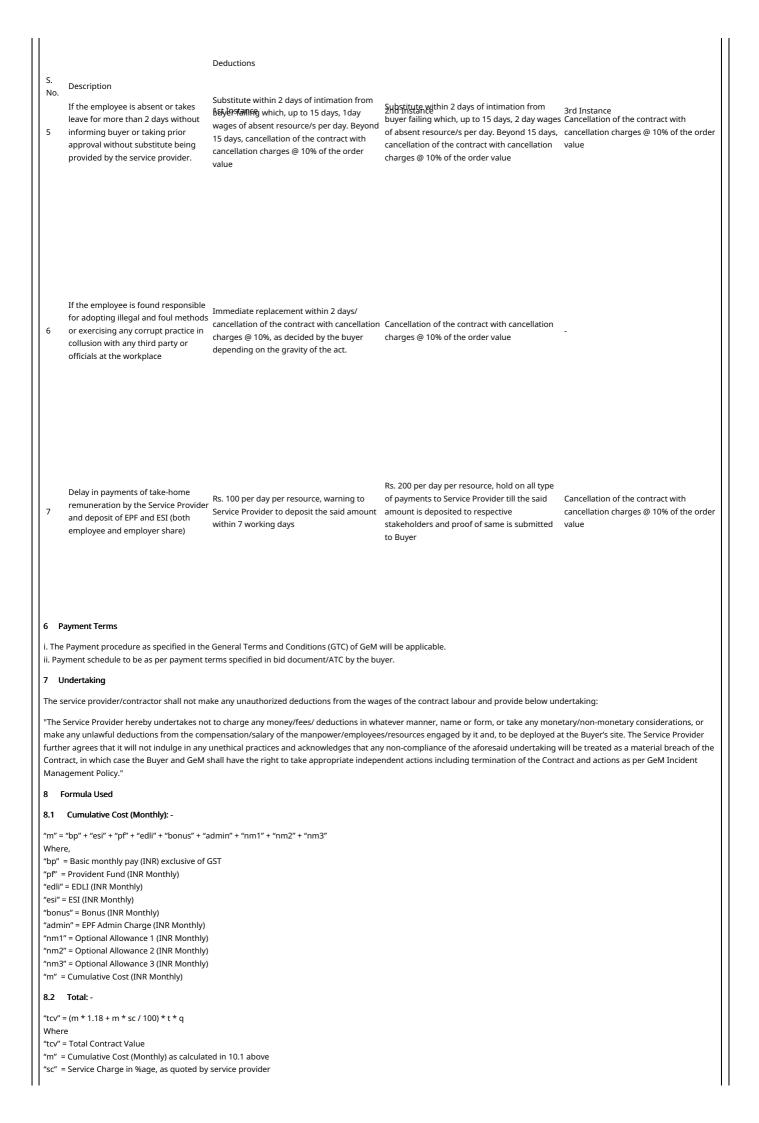

- i. As per the Contract Labour Regulation and Abolition Act, 1970, the service provider/contractor shall be responsible for ensuring that wages are paid to the contract labour on time. The principal employer/buyer shall ensure that the wages are paid on time to the contract labour by the service provider/contractor. In case the service provider/contractor fails to pay the wages on time or makes short-payment, the principal employer/buyer shall be liable to pay the wages to the contract labour directly and recover the amount from the service provider/contractor.
- ii. The Buyer will in no way be responsible for the violation of any rules and/or infringement of any other laws from the time being in force, either by the manpower or by the Service Provider. The manpower as well as the Service Provider shall comply with the relevant rules and regulations applicable at present and as may be enforced from time to time, for which the Buyer will not be liable or responsible in any manner. The onus of compliance to all the applicable laws/acts/rules etc. shall only rest with the Service Provider. An indicative list of central labor laws is provided under Annexure 1.
- iii. The cost of services quoted by the Service Provider shall cover all aspects of service delivery and include all the components of salary/ wages (minimum wage, insurance, PF, ESI etc.) and taxes, as applicable.
- iv. As per DoE OM No.F.6/1/2023-PPD dated 6th January 2023, the minimum service charges for Manpower Outsourcing Services has been fixed as 3.85%. The contracts concluded through this service shall be in compliance with the above mentioned OM.

- v. No advance payment shall be made to the Service Provider.
- vi. Payment shall be made once the services are delivered, and the Service Provider submits the invoice for the same.
- vii. The Buyer shall make the payment within prescribed timelines as per the payment process flow upon submission of invoice, logbook, and service feedback.
- viii. Payment shall be made only after submission of invoices, attendance sheet, logbook, service feedback, documentary proofs for PF/ESI/EDLI etc. payments. Non
  - submission of the same may lead to delay/ deduction in payment.
- ix. All the deductions (if applicable) shall be settled before making the payments. Service Provider shall not have any objection on the same.
- x. Payment to the manpower resources by the service provider shall be made through bank transfer only, in no circumstance cash payment shall be made.
- xi. In case of any changes in the minimum wages or any statutory wage component as per the Applicable Laws during the Contract period, the Buyer shall pay the Service Provider the differential amount in wage. It is clarified that such increase in the wages will not have any impact on the service charges. The total value of the service charge to be paid by the buyer to service provider shall remain same as per the original contract value.
- xii. Service provider will submit the invoice & upload the supporting documents such as attendance sheet, logbook etc. on GeM portal
- xiii. Buyer will review the documents provided by service provider & may either accept or reject based on actual performance. If required, buyer may impose any non-delivery deductions, SLA deductions, over & above the invoice submitted by service provider.

Manpower Outsourcing Services – Fixe	d Remuneration Based			

#### 1 Agreement Overview

This is a Service Level Agreement ("SLA" or "Agreement") between the Buyer and Manpower HiringAgency/Service Provider. The purpose of this Agreement is to facilitate implementation of Manpower Hiring Service at the Buyer's premises, or any other premises approved by the Buyer. This Agreement outlines the scope of work, Buyer's obligations, special terms and conditions related to service delivery and payment of services. The Agreement remains valid till completion of scope of services or end of contractual duration (whichever is earlier) unless mutually extended by both the parties.

The Services contracts placed through GeM shall be governed by following set of Terms and Conditions:

I. General terms and conditions for Services;( "GTC")

II. Service Specific Standard Terms and Conditions ("STC") of the Services contracts shall include the service level agreement (SLA) for the service.

III. BID/ Reverse Auction specific Additional Terms & Conditions (ATC) as specified by the buyer.

The above terms and conditions are in reverse order of precedence i.e. ATC shall supersede Service specific STC which shall supersede GTC, whenever there are any conflicting provisions. The above set of terms and conditions along with the scope of work and SLA as enumerated in this document shall be construed to be part of the Contract/Agreement between the Buyer and Service Provider.

#### 2 Objectives and Goals

The objective of this Agreement is to ensure that all the commitments and obligations are in place to ensure consistent delivery of services to Buyer by Service Provider. The goals of this agreement are to:

I. Provide clear reference to service ownership, accountability, roles and responsibilities of both parties

II. Present a clear, concise, and measurable description of services offered to the Buyer

III. Establish terms and conditions for all the involved stakeholders, it also includes the actions to be taken in case of failure to comply with conditions specified

IV. To ensure that both the parties understand the consequences in case of termination of services due to any of the stated reasons

ThisAgreement will act as a reference document that both the parties have understood the above-mentioned terms and conditions and have agreed to comply by the same.

#### 3 Parties to the Agreement

The main stakeholders associated with this agreement are below-

- 1. Buyer : Buyer is responsible to provide clear instructions, approvals and timely payments for the services availed
- 2. ServiceProvider: Service provider is responsible to provide all the required services in timely manner. Service provider may also include seller, any authorized agents, permitted assignees, successors and nominees as described in the agreement

The responsibilities and obligations of the stakeholders have been outlined in this document. The document also encompasses service level/ deductions in case of nonadherence to the defined terms and conditions.

#### PREAMBLE: Comprehensive AMC contracts placed through GeM shall be governed by following set of Terms and Conditions:

- 1. General terms and conditions for Goods and Services;
- 2. Service Specific STC of AMC Services as defined in Service Catalogue which includes SLA for the Service or Service for a product;
- 3. BID / Reverse Auction specific ATC

#### Note:

Operation of the above terms and conditions are in reverse order of precedence i.e. ATC supplement Service Specific STC and GTC, however, Service Specific STC prevails or supersed over the GTC.a

The above set of conditions along with Scope of supply including price as enumerated in the Contract Document shall be construed to be part of the contract.

This document represents a comprehensive Terms and Conditions governing the contract between the Buyer and Service Provider. The purpose of this document is to outline the scop of work, Stakeholder's obligation and terms and conditions of all services covered as mutually understood by the stakeholder

#### Agreement Overview

This Agreement represents a Service Level Agreement ("SLA" or "Agreement") between the Buyer and Annual Comprehensive Maintenance Service Provider Agency. This Agreement outlines the Scope of Work, Stakeholder's Obligation and General Terms and Conditions of Services covered as they are mutually understood by the stakeholders.

#### **Objective and Goals**

The objective of this Agreement is to ensure that the proper elements and commitments are in place to provide consistent delivery of maintenance service to buyer by service provider. The goals of this Agreement are to:

Provide clear reference to service ownership, accountability, roles and/or responsibilities.

Present a clear, concise and measurable description of service provision to the customer. Depict Terms and Conditions for all the involved stakeholders.

To ensure that both the parties understand the consequences in case of termination of services due to any of the stated reasons.

The agreement will act as a reference document that both the parties have understood the mentioned terms and conditions and have agreed to comply the same.

#### Stakeholders

Following are the stakeholders associated with this agreement:

- Annual Maintenance Service Provider
- Buyer / Consignee

The responsibilities and obligations of the stakeholders have been outlined in this document. The document also encompasses payment terms and penalties in case of non-adherent to the defined terms and conditions. It is assumed that all stakeholders would have read and understood the same before signing the SLA / before bidding.

#### Scope of the AMC Services

The contract shall be on comprehensive basis, inclusive of repairs and replacement of spare without any extra payments. The AMC Vendor shall carry out preventive maintenance Services as per schedule indicated in bid document. If nothing indicated PMS will be done once in at three months during currency of the contract.. The scope of Annual Comprehensive Maintenance Service covers upkeep & smooth working of the equipment within the premises of user department as per laid down SLA and other provisions contained in the agreement document.

Service provider should deploy trained, experienced and competent service engineer for carrying out necessary maintenance services for the equipment as per bench marked maintenance practices / OEM manuals and to provide efficient engineering services in the user premises. Continuous efforts should be made by SPA to minimise the down time of the equipment as a part of the duties of the service provider agency. The SPA shall ensure that all equipment are maintained at optimum operating levels. All scheduled maintenance required for the upkeep of the equipment will be carried by the Service Providers and for this all the necessary & adequate tools / instruments will be provided by the service prov der itself to the engineers responsible for upkeep of equipment at user's premises.

#### Comprehensive Annual Maintenance Contract Services for Photocopier

Comprehensive AMC includes all parts of the equipment. Any defective part of the equipment must be repaired /replaced by the Service Provider at his own cost. Parts so replaced should be new and genuine OEM parts or as prescribed by OEM in their Service Manual and depending on the item under contract.

This would include (Depending upon the contract Duration / contractual obligation):

- 1. Preventive Maintenance Service (PMS) Monthly / Quarterly as indicated in bid
- 2. Annual Maintenance Services (AMS)
- 3. Break Down Services/Repair (BDS)

#### **Buyer Obligations**

- 1. Buyer Department shall ensure that the Service Provider gets the required access to location/ areas/ rooms for providing the services as per installation of equipment.
- 2. Buyer should mention the correct model numbers of equipment / spare parts cat part id etc to the service provider for effective service rendering.
- 3. Buyer should also mention any previous break downs and repairs to the service provider.

. . . . .

4. Price Variation Clause:

"It is advisable to include Price Variation Clause in the long term contracts to take care of the increase/decrease in prices of various ingredients which majorly affect the overall price of the service. Buyers are therefore advised to include the Price Variation Clause (PVC) in the bid document through ATC for long term contracts. The additional payment, if any, on account of PVC can be done offline till such time online functionality is developed on GeM."

#### Service Provider Obligations

- 1. The SPA would put asset number on each of the system being maintained by them. These should correspond to the number/s of equipments to be maintained in a separate register along with details of rooms/place where they are placed/located. If there is shifting of the equipment/s under this AMC, the SPA will have to make changes in record accordingly. Designated Officer in charge (IT Systems) would assist the firm in this task and ensure this to be done under his supervision
- Service Provider should deploy technically competent service engineer / engineers at users premises as per deployment details intended in bid document to ensure proper upkeep of equipment and quick resolution of fault during the AMC period.

3.Complaint can be registered either telephonically or by e-mail or in person at helpdesk setup established by SPA at user premises . Proper record of the complaints should b maintained by the AMC Vendor/Support Engineer at each consignee location / user premises."Bidder will provide contact point and escalation matrix

4.1he Service Provider should use suitable instruments / tools to examine and repair the equipment. The AMC Vendor should have the required drivers / software for maintaining the PCs and peripherals and for configuring them. If required in bid document, service provider should also do the update / maintenance of operating system, software installation provider by user, installation of patches, configuration of applications (clients side) and updating of drivers etc

5."The Service Provider is required to maintain the log sheet which will include number of services provided during the contract period with dates and part of the equipment got repaire or replaced, with its proper model number and necessary details. Bidder shall provide guarterly call logged and resolution data on pdf/excel format

6;The Service Provider must fulfil the requirement of number of preventive maintenance services if required as per bid document .

7. The contractor will maintain the confidentiality of data stored of the computer systems. The contractor will be required to take appropriate actions in respect of his personnel to ensure the obligations of non-use and non-disclosure of confidential information. Bidder's personnel shall ensure the obligations of non-use and non-disclosure of confidential information.

#### Special Terms and Conditions

The General Terms and Conditions defined in the Terms and Conditions for GeM Products and Services are applicable for this Service as well to the extent applicable.

The comprehensive maintenance includes preventive maintenance monthly / quarterly as per bid and regular services of the various equipment and/or replacement of any items necessary for keeping the listed equipment active and free from any defects/disturbance and on any unscheduled call for corrective and maintenance services.

The user Departments shall indicate preferably the Equipment Name, Quantity, Location, date of procurement/vintage Brief Problem /fault in Machines (if any existing at time of bidding ), make & model to enable the service provider to quote Sharing the machines serial nos may be be considered as baseline.

All the consumable articles / parts such as material required for cleaning of equipment and machinery, repairs and maintenance will be provided by the service provider at no extra charge to the buyer. The repairs/replacement of parts and maintenance will be provided by the service provider at no extra charge to the buyer except for out of scope items indicated at end of document."

Immediately on award of the service order, the service provider would give a report regarding taking over of the equipment for maintenance purpose. It shall be the responsibility of the service provider to make the equipment work satisfactorily throughout the contract period, also to hand over the equipment to the department in working condition on expiry of the contract. In case any damage in the equipment is found, penalty would be applied at the time of payment and the amount as per the defined penalty would be deducted

In case of delay in attending to problems, breakdown of systems due to improper handling by service provider personnel etc suitable penalties for violation of service level agreements shall be levied as indicated in the Penalty Clauses.

The annual maintenance shall be carried out during office hours, primarily at the premises as specified in the work order. In case, the Service Provider feels that the equipment cannot be repaired at site, they should carry and deliver the equipment back at their own cost and risk after getting it repaired promptly.

In case the Service Provider fails meeting maintenance requirements in time , and Buyer may make alternative arrangements for the servicing/maintenance of the equipment avoid productivity . Under such circumstances Service Provider would reimburse the cost of such arrangements

The Service Provider shall ensure appropriate deployment of the manpower as per requirement indicated in bid document. The parts/components/sub-assemblies used for repair/replacement by the service provider will be of the preferably of same make and functional capability as originally available in the system. Alternatively OEM authorsed parts/components/sub-assemblies shall be used for repair/replacement by the service provider will be of the preferably of same make and functional capability as originally available in the system. Alternatively OEM authorsed parts/components/sub-assemblies shall be used for repair/replacement by the service provider.

The Vendor will make sure that all the hardware assets are in working conditions in users' premises. The vendor shall provide service support as and when required during the AMC period without any extra cost to buyer . . . "Post contract award, Bidder shall provide the escalation matrix and call logging mechanism"

#### Response Time

The response time is subject function of working days during working hours.

- 1. Ordinarily a complaint must be attended within 4 hours when no change of spare part is involved, however, in case of requirement of change of spare part, the complaint should be resolved within 48 hours of its receipt. Majority of faults should be rectified in the first response itself. However, maximum period allowed for defect rectification shall be 48 hours.
- In case the system is not repaired, or an alternative system not supplied within the period of 48 hours from the time of failure reported, then the first buyer may choose to get the same repaired by or part replaced by other authorised / suitable service agency and the cost and expenditure incurred therein shall be recoverable from the service provider

#### System Uptime

The breakdown time will be worked out as under: -

Total Machine's Days(X) = (NO of equipment under AMC) \* No. of working day in a quarter.

Breakdowns (Y) = Cumulative Sum of breakdown duration of all the equipment under AMC in days during the quarter

Percentage uptime= (X-Y)/X) \*100.

#### The selected bidder shall ensure minimum 95% uptime .

#### Payment Terms

The payment will be made to AMC Service provider as indicated in bid document after submission of invoice and Uptime details to user /consignee/buyer . Penalties as per SLA shall be levied, if applicable.

If bid document is silent then Payment will be made on quarterly basis (if the services are satisfactory) on submission of bill by the vendor on completion of each quarter after deducting penalty amount, if any.

Enhancement or decrease of taxes, duties or prices of components, etc., will not affect the AMC rates during the entire period of AMC; no difference shall be paid or claimed as a result of the above.

#### **Breach of Contract**

- 1. A penalty to be imposed if the resolution / maintenance involving part replacement is delayed above 48Hrs or As per described resolution time in the bid /SOW
- 2. If the service providers are not able to complete or turn up for the calls, then users can avail the services from any other suitable authorized service centre or SPA / completent technician and the amount so spent can be deducted from the bill of Service Provider / from his due amount
- 3. A penalty will be imposed in case of failure to meet the defined System Uptime
- 4. The cumulative penalty cannot exceed 10% of the contract value for t. The contract may be terminated by the Buyer once this limit is breached without any prejudice to oth contractual remedy.

# 1.Agreement Overview

This Agreement represents a Service Level Agreement ("SLA" or "Agreement") between the buyer and packaged water services provider. The purpose of this agreement is to facilitate implementation of Package Drinking water Services at the buyer's premises. This Agreement outlines the scope of work, buyer's obligations and special terms and conditions of services covered as they are mutually understood by the stakeholders. The Agreement remains valid till completion of scope of services or end of contractual duration (whichever is earlier) unless either superseded by a revised agreement mutually endorsed by the stakeholders or terminated by either of the parties thereof.

# 2.Objective and Goals

The objective of this Agreement is to ensure that the proper elements and commitments are in place to provide consistent delivery of service to buyer by service provider. The goals of this Agreement are to: Provide clear reference to service ownership, accountability, roles and/or responsibilities. Present a clear, concise and measurable description of service provision to the customer. Establish Terms and Conditions for all the involved stakeholders to ensure that both the parties understand the consequences in case of termination of services due to any of the stated reasons. Thus, the agreement will act as a reference document that both the parties have understood the aforementioned terms and conditions and have agreed to comply by the same.

# 3.Stakeholders

Following are the main stakeholders associated with this agreement: Service Provider Buyer Paying AuthorityThe responsibilities and obligations of the stakeholders have been outlined in this document. The document also encompasses payment terms and penalties in case of non-adherence to the defined terms and conditions. It is assumed that all stakeholders would have read and understood the same before signing the SLA.

# 4.Service Scope

The scope of this agreement includes supply of packaged drinking water in 20 liters water bottles at buyer premises or premise(s) mentioned by buyer. The service provider shall also provide service add-ons as selected / specified by buyer in service request. Service provider shall render the services as per the prices quoted at GeM portal. The service provider shall keep optimum buffer stock at buyer's premises sufficient enough to meet each day's demand. Storage place for buffer stock of bottles shall be provided by buyer

### 4.1 Delivery and Return

- 1. Service Provider would provide the ordered quantity of water bottle daily at the Buyer's premises. This would be approximately equivalent to quantity specified by buyer at the time of service request.
- 2. The time frequency of delivery would be mutually agreed between buyer and service provider. Any delay or missed delivery shall attract penalty as per provisions of this contract.
- 3. Service provider shall render services as per the rates quoted at GeM portal and shall not charge any other extra cost for delivery and return.
- 4. Service Provider shall maintain a log for the number of bottles supplied every day along with the record of each of rejection instances / other instances such as delayed delivery or failure to deliver.
- 5. Service provider is liable to replace bottles if they are found to be damaged, dirty, seal broken or opened or rejected by user department due to visual impurities or other impurities.

### 4.2 Water Dispenser

The Service provider is not liable to provide water dispensers along with bottles unless otherwise bought as an "add-on" by buyer.

#### 4.3 Quality

- 1. Service provider shall only supply bottles with ISI marking conforming to IS: 14543, BIS and FSSAI standards.
- 2. Service provider shall ensure that bottles supplied are not damaged, in reasonably good condition, not yellowish or faded and with untampered seal.
- 3. The water should be visually clear and free of any suspended particles.
- 4. Packaging date of water bottles supplied should not be older than one week from the date of delivery.
- 5. In an event that packaging date exceeds beyond 1 week at the time of delivery then the bottle shall be replaced immediately by service provider at no extra cost to buyer. Penalties for repeated instances shall be applicable as per provisions of the contract.
- 6. There should be computerized coding mentioning manufacturing date, MRP and Batch No.

# 5. Terms and Conditions

#### **Buyer Obligations**

- 1. Buyer would ensure that the empty bottles are returned to the Service Provider in original condition without any damages.
- 2. Buyer shall allot proper space for storing empty / filled water bottles.
- 3. Buyer shall inspect each lot of Packaged Drinking Bottles at the time of delivery and reject improperly marked / worn out / leaking / without ISI, BIS or FSSAI marks / without date of packaging bottles or bottles older than 1 week (from packaging date ) at the time of delivery.
- 4. Buyer to verify the log book and record each of rejection instances / other instances such as delayed delivery or failure to deliver for claiming damages at the time of billing.
- 5. Buyer shall check if supplier has provided the agreed quantity as per the order, in case of shortage it should be reported.
- 6. Service provider shall deliver the water bottles at buyer's premises as per the decided frequency and it shall be buyer's responsibility to replenish the bottles at dispensers. 7. Price Variation Clause:
  - "It is advisable to include Price Variation Clause in the long term contracts to take care of the increase/decrease in prices of various ingredients which majorly affect the overall price of the service. Buyers are therefore advised to include the Price Variation Clause (PVC) in the bid document through ATC for long term contracts. The additional payment, if any, on account of PVC can be done offline till such time online functionality is developed on GeM."

Payment calculation would be as below:

Payment = Price per Can (INR)\*Number of Cans (Per Day)\*Number of Service Days in a Month\*Contract Period/30

# 6 Special Terms and Conditions

- 1. Service provider agrees to provide and deliver packaged water bottles as per order generated and shall make suitable arrangements to deliver them at buyer's premises without any extra cost.
- 2. If demanded by the buyer service provider shall submit the certificates from packaged drinking water manufacturer stating the quality conforming to IS: 14543, certificate of license from FSSAI as declared by the service provider.
- 3. If Service Provider or his OEM is using ground water for packaging bottles then buyer would be obligated to produce as and when requested by buyer, an appropriate NOC certification from Central Ground Water Authority (CGWA)
- 4. Authorization, license or any certifications required to perform the service shall be the liability of the service provider and he shall be liable to submit these documents at the Buyer department on request.

- 5. The service provider shall have a person identified and his details shared with the Buyer department who will act as the point of contact for ordering and resolving any issues related to the order quantity, quality and delivery period of the order.
- 6. The service provider shall submit the required bills and documents at the end of every month or week as agreed in the agreement for the payment to process by the Buyer department.
- 7. Actual number of days in the contract may vary depending upon the working days in the month and the payment will processed as per actual deliveries made.

# **7.Penalties**

- 1. Penalties for a specific month / period shall be capped at 10% of bill generated for that particular month / period.
- 2. Penalties shall be levied for sl. No. 3 mentioned in below table only at fourth instance.
- 3. If any SLA is breached beyond 3 instances in any billing period then same shall be treated as a breach of contract and buyer will have full rights to terminate the contract after giving a notice of 30 days.

Sharing the machines serial nos may be be considered as baseline.

All the consumable articles / parts such as material required for cleaning of equipment and machinery, repairs and maintenance will be provided by the service provider at no extra charge to the buyer. The repairs/replacement of spare parts (except consumables) and maintenance will be provided by the service provider at no extra charge to the buyer. Except for out of scope items if any will be indicated by buyer at time of bid creation.

Immediately on award of the service order, the service provider would give a report regarding taking over of the equipment for maintenance purpose. It shall be the responsibility of the service provider to make the equipment work satisfactorily throughout the contract period, also to hand over the equipment to the department in working condition on expiry of the contract. In case any damage in the equipment is found, penalty would be applied at the time of payment and the amount as per the defined , penalty would be deducted.

In case of delay in attending to problems, breakdown of systems due to improper handling by service provider personnel etc suitable penalties for violation of service level agreements shall be levied as indicated in the Penalty Clauses.

The annual maintenance shall be carried out during office hours, primarily at the premises as specified in the work order. In case, the Service Provider feels that the equipment cannot be repaired at site, they should carry themselve to their designated workshiand for quick propmpt/repair & deliver the functional equipment back to user at their own cost and risk after getting it repaired promptly.

In case the Service Provider fails meeting maintenance requirements in time , then Buyer may make its own alternative arrangements for the servicing/repair/maitenance of the equipment to avoid loss of productivity . Under such circumstances Service Provider would reimburse the cost of such arrangements incurred by the buyer/consignee . Alternative buyer is free to deduct from scheduled payment of SPA.

The Service Provider shall ensure appropriate deployment of the manpower as per requirement indicated in bid document. The parts/components/sub-assemblies used for repair/replacement by the service provider will be of the preferably of same make and functional capability as originally available in the system. Alternatively OEM author set parts/components/sub-assemblies may be used for repair/replacement by the service provider.

The Vendor will make sure that all the hardware assets are in working conditions in users' premises. The vendor shall provide service support as and when required during the AMC period without any extra cost to buyer. Post contract award, Bidder should provide the structure of escalation matrix and call logging mechanism for prompt response and repair within stipulated time frame .

#### **Response Time**

The response time is subject function of working days during working hours.

- Ordinarily a complaint must be attended within 4 hours when no change of spare part is involved, however, in case of requirement of change of spare part, the complaint should be resolved within 48 hours of its receipt. Majority of faults should be rectified in the first response itself. However, maximum period allowed for defect rectification shall be 48 hours.
- 2. In case the system is not repaired, or an alternative system not provided within the period of 48 hours from the time of failure reported, then the buyer may choose to get the same repaired or part replaced by other authorised / suitable service agency and the cost / expenditure incurred therein shall be recoverable from the service provider.

#### System Uptime

The breakdown time will be worked out as under: -

Total Machine's Days(X) = (NO of equipment under AMC) \* No. of working day in a quarter.

Breakdowns (Y) = Cumulative Sum of breakdown duration of all the equipment under AMC in days during the quarter

Percentage uptime= (X-Y)/X) \*100.

The calacted hidder shall ansure minimum 95% untime
