Sir,

Please refer to your letter dated 23.06.2014 on the subject cited above. In this connection, the inspection of the incident site was carried out by the officials of CDSCO (EZ), Kolkata and State Licensing Authority (SLA), West Bengal.

The inspection team observed that material was found stored in damaged conditions and was without legible Batch No., Mfg. & Exp. Date details etc. Further, details of incidence could not be ascertained from Bongaon Municipality. The inspection team concluded that quality and quantity of the material and actual cause of incidence cannot be ascertained.

In view of above, you are directed to destroy the material as per your SOP and dispose off the material as per the provisions of Biomedical Waste Management Act and other applicable laws in presence of Drugs Inspector from SLA, WB in coordination with Bongaon Municipality.

Yours faithfully,

(Dr. G.N. Singh)

Drugs Controller General (I)
