CIRCULAR

Recently, a presentation was made before Hon'ble HFM on Drugs Regulatory system in the country. During the course of that presentation, the issues like transparency and accountability in various activities of CDSCO like granting licences, approvals and enforcement of regulatory functions etc. were also inter alia discussed. The Hon'ble HFM and other senior officers of the Ministry then impressed upon the urgent need to create an atmosphere of zero tolerance on corruption. In addition, the need for bringing in transparency and accountability amongst various functionaries of CDSCO while discharging their day-to-day functions/activities was also underlined in keeping with the approach of the new Govt. at Centre.

2. All officers/staff of CDSCO and its field formations including Drugs Testing Labs are accordingly advised to follow the above mentioned suggestions in letter and spirit. Any instance of corruption/misconduct etc. on the part of officers/staff whenever noticed by the CDSCO(HQ) will be viewed seriously.

3. This issues with the approval of DCG(I).
