

**F. No.7-5/2015/Misc/034 (e-Governance)**  
**Dte. General of Health Services**  
**Office of Drugs Controller General (India)**

Date: 26.03.2015

**Office Memorandum**

**Subject: Nomination of representatives for e-governance and digitalization of services at CDSCO**

Central Drugs Standard Control Organization (CDSCO) has initiated a comprehensive e-Governance programme for filing online applications, processing of applications, issuance of Licenses/Permissions/Approvals/NOC's and tracking of the status of applications for various purposes. Centre for Development of Advanced Computing (CDAC) has been entrusted the job to develop the required software. The work has been initiated in December 2014 and is progressing at brisk pace. The objective of the software is to simplify the application process and also to be user friendly. It is desired that the Industry be part of the development process so that the end product would be of satisfaction to all the stakeholders. Therefore, the associations as mentioned in the addressed entry, are requested to nominate two representatives having knowledge in Information Technology (IT) and the requirements of Drugs and Cosmetics Act and Rules.

Details of the nominees shall be sent to Sh. R. Chandrashekar, Deputy Drugs Controller (I), CDSCO (HQ) on his email Id- [rcs.ddci@yahoo.in](mailto:rcs.ddci@yahoo.in) before 27<sup>th</sup> March, 2015.

  
(Dr. G. N. Singh)  
Drugs Controller General (India)
