**OFFICE MEMORANDUM**

**SUB: Quality Control Testing of Dengue IgM Elisa and Chikunguniya IgM Elisa at National Institute of Biologicals, Noida-Regarding**

The National Institute of Biologicals (NIB), Noida vide letter 1/Dir.off./2014-15/NIB/158 dated 24.04.2017 has requested this office to draw the samples of Dengue IgM Elisa and Chikunguniya IgM Elisa in-vitro diagnostic kits by Zonal / Sub-Zonal Offices of CDSCO as well as State Drugs Controllers and same may be forwarded to NIB, Noida for quality control testing.

The NIB, Noida has further informed that the samples size required for above kits is 04 Kits (96 Test of each kit).

In view of above, you are requested to direct your Drugs Inspectors to draw samples of above said in-vitro diagnostic kits 4 kits (96 tests of each kit) and same may be forward directly to the Director, NIB, Noida for Quality Control testing.

The details of the samples of the above said in-vitro diagnostic kits collected monthly may be forwarded to this office accordingly.

An early action in the matter will be highly appreciated.

  
(Dr. G. N. Singh)
