NOTICE

Subject: Launching of Online National Drug licensing System (NDLS) portal for issuance of licenses and certificates for Drugs and Cosmetics across the country-Reg.

CDSCO in pursuance to implementation of the e-governance has launched various online services through the portal "SUGAM" on 14.11.2015.

It is to inform that the issue of developing an online portal for issuance of sales and marketing licences has been discussed in various DCC meetings and CDSCO has taken this task for development of such online portal to bring uniformity, traceability and accountability in evaluation and disposal procedure of such applications for issuance of licenses/certificates across the country for the benefit of all the stakeholders. In the latest phase, Online National Drug licensing System (NDLS) portal has been developed for online processing of various applications submitted by the applicant for issuance of licenses /certificates etc, for Drugs and Cosmetics.

Online National Drug Licensing System portal developed by CDAC in coordination with CDSCO & States has been made functional for testing with effect from 31st March 2021 for validation of the system which can be accessed through <https://statedrugs.gov.in>. The system will be shifted from validation mode to operational for all purposes w.e.f. from 15th April 2021. The applicants and regulators involved in processes are requested to avail this facility of testing followed by operationalization.

V.G. Somani

Dr. V.G. Somani
Drugs Controller General (India)

To

1. **All Stake Holders through CDSCO website** –to test and use the system
