Subject: Regulation & Mandatory Registration of Licensed Blood Centres on the e-RaktKosh Portal – reg.

Sir/Madam,

This is in reference to the directions conveyed by the Joint Secretary, Ministry of Health & Family Welfare (MoHFW) during the meeting held on 11.03.2026 regarding strengthening regulatory oversight of Blood Centres through mandatory registration on the e-RaktKosh Portal to facilitate transparency, traceability, and national level monitoring of blood and blood components.

Attention is also invited to the CDSCO advisory dated 03.06.2022 (Copy enclosed), wherein advised for registration of all licensed Blood Centres on the e-RaktKosh platform to enter the data regarding blood stock availability and update on daily basis along with the data related to Blood Donors, Monthly reports etc. and it will benefit existing Blood Centres in long run by increasing the number of available voluntary Blood Donors.

The matter has been reviewed in light of the above directions of MoHFW and it has been decided that registration and active utilization of the e-RaktKosh Portal by all licensed Blood Centres shall be ensured through regulatory oversight by CDSCO Zonal/Sub-Zonal Offices and State Licensing Authorities.

Accordingly, the following actions shall be ensured:

1. All CDSCO Zonal/Sub-Zonal Offices shall coordinate with the respective State Licensing Authorities to ensure that all licensed Blood Centres under their jurisdiction are registered on the e-RaktKosh Portal.
2. State Licensing Authorities (SLAs) shall direct all licensed Blood Centres to:
 - o Complete registration on the e-RaktKosh Portal, wherever not done.
 - o Ensure regular updating of blood stock and component availability on the portal.
3. It has further been decided that verification of e-RaktKosh registration and its active usage shall be included as part of the regulatory inspection process of Blood Centres.
4. Accordingly, Annexure-O (Inspection Checklist for Blood Centres) of the "Guidance Document for CDSCO Zonal and Sub-Zonal Offices" shall also be updated to include verification of e-RaktKosh registration and compliance during inspections.
5. All SLAs are requested to furnish a status report within 30 days indicating:
 - o Total number of licensed Blood Centres in the State/UT
 - o Number of Blood Centres registered on e-RaktKosh
 - o Number of Blood Centres yet to be registered

For uniform implementation, the following points may be verified during inspection of Blood Centres and it shall be incorporated in Annexure-O(Inspection Checklist for Blood Centres):

- I. Whether the Blood Centre is registered on the e-RaktKosh portal.
- II. Whether the unique e-RaktKosh ID has been generated for the Blood Centre.
- III. Whether the license details (Form 28C / applicable license details) are correctly updated on the portal.
- IV. Whether details of Blood Centre infrastructure, component facilities, and services are updated on e-RaktKosh.
- V. Whether blood stock and component availability are being regularly updated on the portal.
- VI. Whether the Blood Centre has designated staff responsible for data entry and portal management.
- VII. Whether the contact details of the Blood Centre and nodal officer are updated on the portal.
- VIII. Whether consistency exists between physical blood stock and stock reflected on the portal.
- IX. Whether login credentials are functional and the portal is being regularly used.
- X. Whether donor details are captured in the system for traceability purposes.
- XI. Whether donor traceability is maintained through linkage with ABHA ID / Aadhaar or other approved unique identifiers, wherever applicable, in accordance with applicable Government guidelines.

All concerned are requested to ensure strict compliance with the above directions in order to strengthen the national blood transfusion system and improve transparency and accessibility of blood availability across the country.

This may be treated as priority.

Yours faithfully,

(Dr. RAJEEV SINGH RAGHUVANSHI)
Drugs Controller General (India)

Dated: 03.06.2022

Notice of Advisory for registration of blood centres on e-RaktKosh

As decided by the competent authority of Ministry of Health and Family Welfare, Government of India, all licensed blood centres are required to register on e-Raktkosh web portal (<https://www.eraktkosh.in/BLDAHIMS/bloodbank/transactions/bbpublicindex.html>) to enter their data regarding blood stock availability and update the same on a daily basis, in addition to data related to blood donors, monthly reports etc. This will benefit existing blood centres in the long run by increasing the numbers of available voluntary blood donors.

The steps for registration of blood centres on e-Raktkosh portal is **annexed**. Accordingly, all licensed blood centres are requested to register themselves on the above platform within next one week from the date of issue of this notice of advisory.

For any query regarding registration, the blood centres may call on 9650816031 or write to eraktkosh@cdac.in.

User ID and password after registration would be issued by e-Raktkosh.

Steps for registration of Blood Banks on e-RaktKosh

As per the directions of MoHFW Blood Banks needs to register on e-RaktKosh to provide the Blood Stock Availability, Monthly Report and Donor Details. Steps to register on e-RaktKosh are as follows

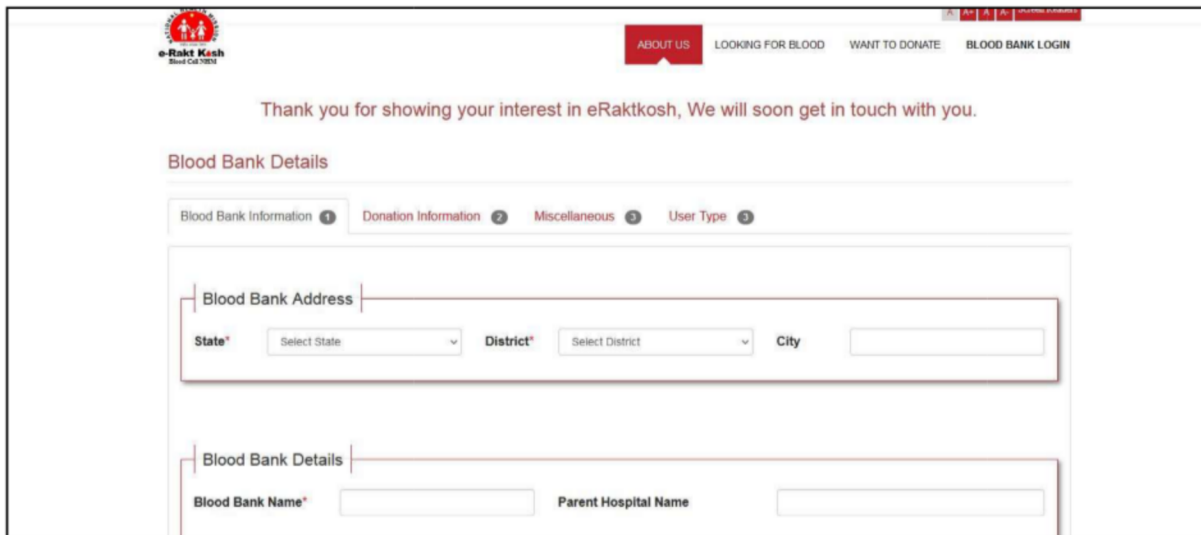

1. Go to www.eraktkosh.in
2. Click on Blood Bank Login and then click on Add Your Blood Bank

3. Fill the Blood Bank Details and submit it.

4. After successfully submission of form Message will appear as

The screenshot shows the e-Rakt Kesh website interface. At the top, there is a navigation bar with the logo on the left and links for 'ABOUT US', 'LOOKING FOR BLOOD', 'WANT TO DONATE', and 'BLOOD BANK LOGIN'. A red message box in the center reads: 'Thank you for showing your interest in eRaktkosh, We will soon get in touch with you.' Below this is the 'Blood Bank Details' section, which is divided into four tabs: 'Blood Bank Information' (selected), 'Donation Information', 'Miscellaneous', and 'User Type'. The 'Blood Bank Information' tab contains two main sections: 'Blood Bank Address' and 'Blood Bank Details'. The 'Blood Bank Address' section includes a text input for the address, a dropdown for 'State*' (with 'Select State' as the placeholder), a dropdown for 'District*' (with 'Select District' as the placeholder), and a text input for 'City'. The 'Blood Bank Details' section includes a text input for 'Blood Bank Name*' and a text input for 'Parent Hospital Name'.

5. After adding the blood bank valid license copy should be submitted at eraktkosh@cdac.in .
The portal login will be provided only after the verification of the license copy.

6. For any query please drop a mail at eraktkosh@cdac.in
