NOTICE

03 MAR 2016

SUGAM on-line services have been initiated by Central Drugs Standard Control Organization (CDSCO) for quick delivery of services and it is expected to receive all new applications for obtaining import licenses and registration certificate of drugs by way of online receipt from 15.02.2016 vide Notice No. CDSCO/IT/2016(1) dated 16.02.2016.

However it is observed that importers and applicants are not able to apply for import license due to lack of uploading of historical data i.e details of Registration Certificate etc. by the Registration Certificate holders. In the interest of smooth transition to the e-Governance system applications, all the authorized Indian Agents (RC holders) are hereby requested to upload details of their Registration Certificates and Import Licenses owned on or before 11/03/2016, so that historical data base can be generated and concerned importers can apply online.

All stakeholders are desired to come forward for successful operation of online system. For any clarification/assistance a cell of officers is created whose contact details are as follows:
