Official Inauguration and opening and address of the workshop was made by Dr. G.N. Singh , Drugs Controller General (India)

Dr. G.N. Singh, Drugs Controller General (India) addressed the participants during the workshop on the objective and expected outcome of the workshop. Dr. G.N. Singh, Drugs Controller General (India) mentioned the importance of Quality Management System (QMS) for CDSCO as a regulatory authority for Drugs, Cosmetics and Medical Devices, the role of each participants in the implementation of QMS and expectation of uniformity in the execution of regulatory system by entire CDSCO at all levels subsequent to the QMS training.

It was also emphasized by Drugs Controller General (India) the ISO certification is the important performance indicator for CDSCO and QMS training for all Drugs Inspectors is the first step towards achieving the goal.

It was also mentioned that the performance of the all the participants with respect to the uniform implementation of QMS will be reviewed by the top management after 3 months to determine the effectiveness of the training.

Photo Session with all the Faculties & Participants

During the workshop, the requirements of Audit and its Principle was explained by Mr. D.K. Mukhopadhyay to the participants.

Exercises were given during and after the presentation by facilitators to make learning interactive and interesting and easy to understand the concept of presentation.

Closing of the workshop with Post assessment for the participants for evaluation of the training on the second day.
